Della Ray Webb — Daughter of James Wilford Ray and Elsie Margaret Mortensen. Wife of Jonathan Henry Webb. Henry & I were Married Aug. 16, 1908.

My parents were born in Utah. They were a part of the group of saints sent to Old Mexico by the Church. For awhile, before reaching old Mexico, they settled in what was called Sunset, Arizona, now named Joseph City, Ariz. While there, they lived the United Order with the rest of the Saints. ~~there~~. Then they moved on to Chihuahua, Mexico. I was born June 13, 1891 in Pacheco, Chihuahua, Mexico. Before I was a Year old, we moved to Sonora, Mexico. Then we moved to Oxaco, Mex. after a short time we moved to Colonia Morelos, Mexico and lived there until 1912. Here I ~~[illegible]~~ met and was Courted by Jonathan Henry Webb, whom everyone called Henry. We were Married in Colonia Morelos, Mex. by Bishop Charles Lillywhite. We had two Children, Thora & Ray, born in Sonora Morelos, Mexico. ~~on~~ on Aug. 12, 1912 we left for the United States on orders from the Church & the U.S. Goverment during the war of 1912 in Mexico.

This was during the uprising caused by the Mexican renegade. Poncho Villa. He raided & destroyed Many of the settlers Losing Ranches & farms
~~after leaving Mexico by~~ We left Mexico & traveling many days ~~wagons we arrived in~~

We left Mexico traveling by ~~covered~~ wagons taking only the barest of necessities, having to leave all our homes & belongs behind. Poncho Villa's raiders destroyed everything in their paths, so we had to leave hurriedly & was only able to take along the ~~belonging~~ clothes we needed most. We arrived in the United States & ~~settled~~ at Douglas Ariz. We then went on to Thatcher, Arizona settling there. Karl was born in Thatcher shortly after we arrived. We then did quite a bit of moving around in the State of Ariz. We moved to Pinedale Arizona from Thatcher. Maurice was born in Pinedale. Then in 1917 we moved to Showlow, Arizona & Junius was born there In 1919 we moved back to Pinedale Ariz. and 3 more children, Gwen, Dale & James were born while living there the 2nd time. In Nov. of 1926 we moved to Tempe, Ariz & Louise was born while we lived there. In 1929 we moved to Lakeside Arizona where our tenth & last child was born, a son June. We have lived & still are residing in Lakeside at this time.

My parents were pioneers all their lives. So I followed in their footsteps. Moving around quite a bit within the state of Arizona.

My hobbies have included helping & Caring for the sick. Mainly going into the homes of ~~the~~ women bearing children & doing home nursing & taking care of the new born babies in the homes. This consumed many hours for me. I've done this many, many, times besides taking care of my own 10 children. I have delivered 3 babies in homes before the doctor was able ~~arrived~~ to get there. One of these was my own grandchild, our first grandson. I delivered him shortly before the doctor arrived. I have helped to take care of nearly all my grandchildren when they born.

We have had 46 grand children. 42 of them are ~~still~~ living. 3 died at birth & one at 22 months. I have 23 great granchildren all living. All 10 my own children are still living, so we have felt very fortunate thru the years.

My main hobby is crocheting. I have crocheted many articles + given them as gifts for my children & grandchildren & other loved ones. Each crocheted article finds a welcome & loved place. Flowers

Nearly all my spare moments are spent crocheting.

are also my hobby. Now that the children are all ~~raised~~ grown & married & gone I spend many hours tending my flowers. During the years the children were & home growing up I usually kept a garden & tended it, so that we would have a variety, fresh tasty vegetables on the table at meal time during the summer months. Making home-made bread, Candy, & cookies for the grandchildren when they visit Grandma is also a hobby. They never fail to ask. "Grandma, do you have some homemade bread, cookies or cinnamon buns?" when they visit me. So I always try to have some on hand when they visit.

My family has more or less been my whole life & I have cared for them tenderly. ~~Music~~ Music has played a big part in our family at family gatherings. Our children & grand children alike enjoy music very much. We have some very nice singers amongst our children as well as the grandchildren. ~~Our~~ The children & granchildren play a variety of different instruments including the piano, organ, violins, clarinets, drums, viola, drums, saxaphone, trumpets, accordian, ~~saxaphone~~ trombone, & ukeleles & guitars. harmonica's - So we have a very enjoyable time during all our family gatherings.
